Ryosuke Makita brings his unique artistry to fashion, advertising and celebrity photography.
Born in Yokohama, Japan, Ryosuke Makita's fascination with photography began at an early age.

He moved to Italy in his twenties to pursue his career and joined Itaca/Atomo Management,
an international creative representative agency in Milan.

then based also in Tokyo,

he is a multi- faceted artist with extensive experience in a wide array of fields
and outstanding communication skills (Japanese, English, Italian).

Eager to look beyond Italy and Japan, Makita is now concentrating his efforts on diverse markets..
